

Homework No. 21 (Fall 2021)

PHYS 205B: University Physics

Due date: Thursday, 2021 Nov 18, 9:30 AM, on D2L

Task

Visit the SIUC Image Center and attend a live demonstration of the working principles of the following instruments.

1. Scanning Electron Microscope
2. Transmission Electron Microscope
3. Atomic Force Microscope

Provide a proof of completion of the above from the Image Center.

Instructions

Book an appointment for the demonstration at the Image Center by writing to

Md Aswad Ali (mdaswad.ali@siu.edu)

or

Annie Yojaira Vargas Lizarazo (annieyojaira.vargaslizarazo@siu.edu).

Include the course name (PHYS-205B-001) and name of instructor (K. V. Shajesh) in your communication.
